# CLOWNING AT WORK?

**YES!**

NOT your usual  
**WORKSHOP**

It's all fun and games -  
but with real benefits!

**Build intuitive,  
practical skills  
for better work**

**All while having a  
great time!**

# Clowning? At Work?

- ❓ Clowning is a universal art and philosophy, that teaches creativity, authenticity, and play.
- ❓ It's about finding joy, even in mistakes, and learning skills that go far beyond comedy

## WHY CLOWNING?

Because of what clowning is actually about

Clowning is about, what one can learn from it, and what it can teach anyone who is into innovation, creativity, problem solving (and more) is....

- ❓ Creativity by avoiding the obvious.
- ❓ Intention and conviction
- ❓ Making the most of what you've got
- ❓ Listening, being intuitive and responding quickly

And most of all: **FAILING** (and getting good at it)

Also: stage presence, confidence, optimism, how to have fun, and much more (even how to be funny, maybe).
