What is **ROOM SERVICE?**

Room Service is an interactive performance where our professional performers take on the hilarious roles of luxury hotel staff – think bellhops, maids, quirky concierges, private chefs, and even “personal trainers”!

Every guest we approach becomes a hotel “guest” and can order from our menu – for themselves or for anyone else!

Whether they want immediate service or a surprise later on, our team is ready to deliver with a comedic twist.

**Unexpectedly
hilarious
&
confusing !**
